

Monday, November 5th FSA Meeting

The meeting was called to order by FSA President, Chrissy Eberhart and opened with a prayer.

FSA was visited by one of our 1st grade teachers, Ms. Flanagan. Ms. Flanagan shared how her class is currently learning about different saints using saints cards and how excited the students get when they learn about a saint they recognize such as St. Luke and St. John Paul II (which is their room saint).

Treasurer's Report: The treasurer's report is attached.

Old Business

Green ParTee: 58 golfers participated in the event and an additional \$800 was raised through additional games played throughout the course on the day of the event. Nichol Jones has compiled a lessons learned as well as directions on how to organize the event for the current 4th/5th/6th grade classes who will take this over next year.

Green Gala: The committee is currently seeking sponsors and donors for the event and silent auction and marketing materials have been drafted. Early bird tickets will be available soon!

Open House: Open house will be held Sunday, November 11th starting with a student led mass. 200 personal invites have been sent and school tours will be led by current students with prizes and activities available.

New Business

School Board Update: Anna Schaffer gave a presentation outlining the general income and expenses of the school board and how that is currently dispensed. It showed how FSA's \$10,000 contribution helped address some of the deficit as well as the board's additional needs. The school board also put together a high-level survey for parents to submit during conferences.
