

Family and School Association General Meeting

Monday, October 5th, 2020

1. **Welcome/Introductions** – Opening Prayer

2. **Principal Update** – We are finishing FAST (K-5) and MAP (6-8) assessments, which are used to measure the current standing of students' abilities and are used to group students based on skill sets and level-set to current standards and expectations. Conferences are coming up at the end of November and Mrs. Hade is meeting with staff to determine how this will look this year. Given the increased number of students, another half day may be required to fit in all conferences. We are also discussing a possible virtual option for those who prefer to meet with teachers virtually rather than in-person. Looking ahead towards 2nd trimester, staff will be evaluating the approach for virtual learning as well as how to appropriately decommission mask when that time comes. New students continue to start at St. Luke's and we have waitlists for 2nd, 5th and 6th grade classes!

3. **Old Business**
 - a. **Green ParTee:** We are excited to have 18 teams signed up this year, with many of our new families participating! The event will be held this weekend on Oct. 11th at Woodland Hills Golf Course with a burger lunch, beer cart, pin games, \$10,000 hole-in-one and a great raffle. Weather looks amazing and it should be a great opportunity for fun and community building!
 - b. **Trunk or Treat:** This will be hosted at the school parking lot on Saturday the 31st at 2pm. The committee is currently working on identifying safety measures to ensure a safe, fun environment for all participants and attendees. These will be communicated via flyers that will be sent home with the kids advertising the event.

4. **New Business**
 - a. **Spiritwear:** Spiritwear is available for purchase online! FSA is providing a \$10 discount for all families that is applied via a coupon code upon checkout. Uniform options are available as well. Orders are due by **October 15th**.
 - b. **Green Gala:** We will have a gala this year! Currently planned for February 13th at the FFA Enrichment Center. Meetings with the committee will begin at the end of October. If it is determined to be unsafe to host the event in-person in February, then the plan is to push back the event date. We have until December to make this determination.
 - c. **School Board Update:** They are prioritizing the scorecard that was made last year. Given the circumstances, not all items on the original scorecard can be met, but we are focusing on items such as:
 - i. **Safety:** St. Luke's has had 0 positive cases and no quarantines to date, and we want to keep it that way!
 - ii. **Education:** measuring both in-person and virtual learning groups as well as providing possible solutions to ensure the success of all students such as dedicated substitutes
 - iii. **Communication:** increase social media presence and improve communication between teachers and families through consistent platforms and frequencies.

- iv. Building: Bids from subcontractors have been submitted and a contract should be signed within a week. If footings are poured in October/November the completion date will be July.
- v. Budget: With increased enrollment this year our budget is in good standing and they have been able to address the reduced parish subsidy. The next school board meeting will be discussing next year's budget and enrollment numbers.
- d. Restaurant Night: October 26th from 5-8pm at Chick-Fil-A! Dining room is closed so this applies to **DRIVE THROUGH ORDERS ONLY. MOBILE ORDERS CANNOT BE PROCESSED FOR THE FUNDRAISER.**

5. Closing Prayer
